

 **Oldcastle**® SurePods™  
*Changing the way people build™*

**THE LEADER IN PREFABRICATED  
BATHROOM PODS**

- Hospitality Industry

# The SurePod **ADVANTAGE**

## Speed.

Using SurePods can open your hotel 2 months early. It has been proven time and again.

## Simplicity.

Each SurePod factory built bathroom eliminates 100 man hours from the project site.

## Superior.

SurePods provide a superior quality product with a 1 year single source warranty.

## Safety.

Shifting labor from the job site into our climate controlled lean manufacturing environment is safer.

# Hospitality EXPERIENCE

Oldcastle SurePods is North America's largest and most experienced provider of factory-built bathrooms. Using BIM and lean manufacturing technology, we work with customers from design to installation to produce custom, ready-to-install bathrooms. By replacing on-site bathroom construction, Oldcastle SurePods accelerate the construction timeline, improve quality and eliminate the bathroom punch list, the most problem-ridden part of a construction project. SurePods are a better, faster and more cost-effective solution to building bathrooms.
